• Profile

Hey there! I'm passionate about designing awesome websites using WordPress. I focus on making sites look great and easy to use. I work closely with clients to bring their ideas to life online.!

• Work Experience

Freelance WordPress Designer | [01-10-2023]
- Present
I work with clients to understand what they want their website to look like.
I'm here to help with any updates or changes needed along the way.

• Education

- ICS Complete from Scholar College
2021
